Dr. B. ATHIYAMAN
SCIENTIST-F

Sub: Approval of Internship for M.Sc Data Science Students

Dear Dr Mala,

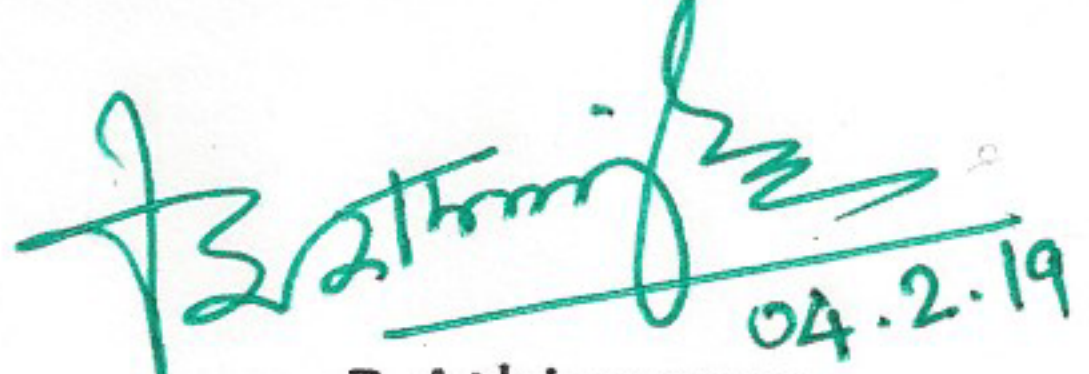

Greetings!

This is in response to your letter requesting for industrial training for two of your M.Sc., Students (**Mr. C Sathish and Mr. R Praveen Kumar**) for four months (Feb-May), Our Head, NCMRWF has agreed to allow the students to do the project work at NCMRWF.

The students will be required to do project work in the area of interest to NCMRWF. **The work can be broadly into topics related to Software Developments, Data Analytics and Data Visualization using 350 Tera Flops High Performance Computing (HPC) System.** They are going to use Open source software like MySQL data base and GRASS-GIS. They should be familiar with Data Base Management System, Different Data formats, Graphics Utilities, Python, R and Open Source Applications. During Feb-May Delhi NCR temperature will be between below normal and Normal. So the students should come with proper preparation and planning. The students should complete their project work within allocated time period. We are trying to arrange a hostel /Guest house accommodation for the students. Students may require to pay nominal amount for their stay. During the project period the students will not get any financial benefits.

Regards
