A HEARTFELT APPEAL FROM OUR FOUNDER PRINCIPAL
GREETINGS FROM NEHRU MEMORIAL COLLEGE

Dear Alumnus,

Nehru Memorial College, established in the year 1967, serves for the cause of providing higher education to the wards of poor farmers. Starting with few programmes in a tiled building in the early years now the Institution has expanded its wings with more programmes through state of art infrastructural facilities. In the course of time, the Institution has become an Autonomous Institution and at the present moment it proudly marches towards **Golden Jubilee**(2016-2017). As this success is mainly contributed by thousands of our alumni and their unstinted support, the college would like to establish a close contact with its alumni. Definitely the Institution, its environment and its faculty members have helped you improve your confidence level and achieve great success in your life. I hope that now you are in a better position in the world and leading a successful life. It is not an exaggeration to say that the Institution is not built simply by brick and mortars but by the pillars of thousands of students like you.

As we are planning to celebrate the Golden Jubilee from June 2017, I feel that a compendium of cherished memories, nostalgic feelings, varied experiences etc, will definitely be useful to the Institution for a better communication with you all. We also propose to establish an exclusive web site for our alumni so that all of you could share your experiences through this platform. So I humbly request you to fill in the enclosed proforma and send/submit it to the Principal by Post and also send a softcopy to the email [**nmc.gj.alu@gmail.com**](mailto:nmc.gj.alu@gmail.com)

Please pass on this information to your near and dear ones. As we are planning to bring the **Alumni Directory** in the month of June 2017, kindly cooperate with us so that we will record your valuables suggestions/ideas/view points in the directory.

Soliciting your cooperation in this regard,

Best Wishes
