PRESS RELEASE

REDEFINE LEARNING AND INNOVATIVE THINKING NEED OF THE HOUR

Redefinition of Learning and Innovative thinking is vital for achieving one's goal urges **Shri Lakshman Pillai** CEO LPCube Systems Pvt Ltd, Chennai our illustrious alumnus during his valedictory address on the occasion of Think Quest 2017 an Inter Collegiate Competition organized by the Post Graduate Department of Computer Science on 25.01.2017. The learning process should have a direct connectivity to the student's goal so that one can achieve his goal in a procedural manner. He opined that India lacks product based development as most of the industries concentrate only on services. So he advised the students to think about various problems faced by the people and try to convert problems into workable solution. The entrepreneur mindset will definitely helpful for Make In India campaign. He advised the students to frame their goal in a precise manner and not to define the goal in an exhaustive way. He further said that faith and patience always yield desired results. More than 100 students were participated in various colleges including JamalMohamed College college, KadharMoitheencollege, Bishop Heber College, Shrimathi Indira Gandhi College, SeethalakshmiRamasamy College, SrimadAndavarCollgee, Thanthai Hans Roever College and NationalCollege.
