ENVIRONMENTAL POLICY

- The NMC always aims to eliminate or reduce all forms of environmental pollution and encourages all faculty members, staff, students and others to practice the same.
- The College always raises awareness of environmental issues among its staff/students/visitors and encourages initiatives leading towards a clean and green environment.
- The College promote the **5 R's** for waste management in the order of Reduce, Reuse, Recycle, Refuse, Recover and provide convenient waste segregation, collection and guidance for the disposal of paper, cardboard, glass, plastic, electrical and white goods, hazardous waste and e-waste.
- The College minimizes the consumption of water and enhances groundwater level by establishing campus catchment area and rainwater harvesting schemes in all buildings of the campus, encouraging to report leaks and rectifying them promptly, progressively replacing faulty taps and fittings, exploring options for using waste roof runoff water wherever possible.
- The College minimizes the consumption of electricity where opportunity arise by progressive replacement of light bulbs with energy efficient ones. (LED) Inculcating the practice among staff and residents to turn off electrical appliances when not in use. Installation of a Hybrid solar power system in the campus.
- The College adapts health, safety and environmental codes of practice and relevant rules and regulations and complies with legislation relating to use of chemical products.
- The College is completely free from plastics and discourages burning of waste materials in any form.
