The members perused the documents and they discussed certain things in detail and offered the following suggestions:

- Shri. Pon.Ravichandran, Secretary of the College Committee expressed that the Hotel Management students get job opportunities easily even before they finish their studies and hence their first priority is placement & training and they do not pay more attention to the final examinations.
- Prof. S.Subbaiah observed that the percentage of results of some programmes is at optimum level as the college has a very effective and strict evaluation system. Further he opined that though the college enjoys autonomous status, it does not want to pamper their students by awarding marks in an undue manner. He also reiterated the idea that two years to five years results could be presented in the form of a comparative analysis for grasping the progression quickly.
- Prof. Geetha Bali suggested that some remedial measures had to be taken in order to minimize the fail percentage. She opined that a Faculty Development Program could be conducted in order to ensure the progress of the students.
- Shri.Pon.Ravichandran requested the Principal to conduct an exclusive bridge course for the slow learners.

She also requested the members to approve of the amendments. After a detailed discussion, the following resolution was passed.

Resolution No.AC 10/2018

It is resolved unanimously to approve of the amendments as regards the instructional, evaluative and feedback methodology to be implemented from 2019-20. The amendments are enclosed as **Annexure IX**.

Dr.D.VijiSaral Elizabeth, Associate Professor, Research Department of Chemistry presented the 10th item of the agenda i.e the updating the panel of examiners for question paper setting and valuation for various departments. Dr.S.Rajendran, Head Research Department of Tamil presented 11th agenda of reconstitution of question Paper Scrutiny Committee and nomination/appointment of chairperson for central valuation. Dr.S.Rajendran justified the need for nominating the Head of department of the respective department as chairperson for Question Paper Scrutiny Committee instead of appointing external persons. Further he added that the internal person could be nominated as the Chairperson for the central valuation as there were many errors reported in the question paper scrutinized by the external members. Dr.K.T.Tamilmani informed the members that only internal members know better the intricacies and complexity involved in setting the question

valuation should be the Head of the Department concerned/a person nominated by the Principal and examination reforms committee shall frame necessary guidelines for prosecuting the errant people.

Ms.K.Ponvelalagulakshmi presented the list of Certificate/Diploma/Advanced Diploma programmes to be offered by various departments and requested the Academic Council to approval of the same. After a detailed discussion it is unanimously resolved to pass the following resolution.

After a detailed discussion it is unanimously resolved to pass the following resolution.

Resolution No.AC 14/2018

It is resolved unanimously to recommend to the Governing Body for constitution of the committees viz., Admission Committee, Planning and Evaluation Committee, Examination Reforms Committee, Internal Complaints

paper and they could either remove the irrelevant/misleading points/out of syllabus questions or modify the categorization of question if found erroneous. Dr.E.Ramganesan said that the internal people are the best judges. Dr.P.Neelanarayan, informed that the present system should continue as there are some problems occurred in the previous system. Prof M.Muralidharan said that the same practice was there in our college for about eight years (from 2004 to 2012) and if any person found guilty of doing some untoward practice, then appropriate action could be initiated against such individual and it was not fair to give up a system which proved to be successful. Mr.A.Ganesan also said the secrecy has to be maintained and any violators should be prosecuted. Dr.J.A.ArulChellakumar said that the examination reforms committee should frame the regulations for appropriate punishments for such errant persons. Dr. M.Mary Anbumathy informed about some of the errors found in the question paper during April 2018 examinations and her reluctance to express it in writing to the appropriate authority as she was skeptical about the remedy for such violations. Dr.A.Rajendran held the view that the internal people carried out this type of confidential work in the past as the then Controller, in consultation with the Principal, nominated reliable persons from internal and the system was going on well. After a detailed discussion the majority of the members felt that the spirit of autonomy has to be taken in to consideration and the following resolution was passed unanimously.

Resolution No.AC 12/2018

It is resolved unanimously to reconstitute the Question Paper scrutiny committee with the internal staff members and the Chairperson of the central

committee, Grievance redressal Committee and Academic Audit Committee as envisaged by the UGC Regulations 2018. ANNEXURE XII.

Under any other item Lakshman Pillai elaborated the need for enrichment of knowledge of the students instead of just getting degree, the institution should simulate life skill training environment. So he requested the members to take necessary steps to inculcate value based learning. Dr.A.Venkatesan suggested that there should be some checking mechanism for eradicating plagiarism in research writing leading to M.Phil and Ph.D. programmes.

Dr.K.T.Tamilmani, Member Secretary of the Academic Council thanked all the members profusely for their active participation and valuable suggestions. The meeting concluded at 2.30 p.m.
