A Report on Online Community Awareness Programme on Women's

Health Issues.

Topics:

The PG & Research Department of Zoology of Nehru Memorial College, Puthanampatti and Karpom Karpipom (KK), Madurai jointly organized an online community awareness programme on Women's Health Issues during 23/06/2020.

In this occasion, three resource persons gave lectures on different topics on women's health issues.

1. Myth in Monthlies and History Behind

By

**Mr. Aron Benjamin,
Trainer cum counsellor, KK, Madurai**

2. Indian Women and PCOD

By

**Ms. T. Revathi,
Income tax department, govt. of India,
Trainer cum counsellor, KK, Madurai**

3. Breast Cancer and Cervical Cancer

By

**Ms. J. Nandhini,
Asst. Professor, SRM University, Chennai,
Trainer cum counsellor, KK, Madurai**

They explained in detail about the women's health issues and gave suggestions for improving women's health and overcoming of health issues. While Dr. K. Saravanan, Assistant Professor of Zoology welcomed the gathering. Dr. A.R. Ponperiasamy, Principal presided over the function. Er. Pon. Balasubramanian, President, Mr. Pon. Ravichandiran, Secretary and Dr. M.P. Santhi, HOD of Zoology felicitated the students and staff. At the end of the programme Dr.G. Revathi Assistant Professor of Zoology proposed vote of thanks.
