AGM HIGHER SECONDARY SCHOOL - ERAGUDI

02/08/2019 - COMPETITIONS - TAMIL DEPARTMENT

School Report

I **V. Manikandan** from **Tamil Department** with my team members **Mrs. S. Mala & Miss. M. Swathi** from **Data Science Department** went to Eragudi near Thuraiyur on **02/08/2019**. The AGM Higher Secondary school is located in Eragudi. We reached the school at 10.00 am. We got permission at 10.15 am. We started the competition at 10.30 am and winded up at 4.30 pm. There were **350 students** studying in XIth & XIIth standard. Totally **155 students** participated in **five events**. In Tamil and English essay writing 24 students were participated from both XIth & XIIth standard. In Tamil and English speech 20 students were participated. In Multiple Choice Questions 87 students were participated. The students were participated very enthusiastically. The staff members of Tamil, English, Physics, Chemistry, Botany, Zoology, Mathematics and Commerce Department are very supported for completing the events. The **principal Mr. Leo Prasath** was encouraged the events to be more successful. The prizes were issued to the prize winners by the principal of the School. Finally the principal said that these types of events will improvise the student's knowledge and it encourages the student's involvement not only in studies but also in other activities. The principal and teachers were excited about their students' abilities. The students were very happily received the prizes. Mrs.S.MALA gave short introduction about Data Science Department in Nehru Memorial College. Finally the vote of thanks was given by Mrs. Gandhimathi from Mathematics Department in AGM School. We moved from the school after 5.00 pm. We were very happy and learned lot of good experience by conducting these types of events.
