

Nehru Memorial College (Autonomous) - Puthanampatti
(Nationally Accredited with 'A' Grade by NAAC)

Report

On 2nd August 2019 we the staff members viz., Dr. N. Ramesh (Team Leader), Assistant Professor and Head in Zoology, Mr. M. Balachandar, Assistant Professor in Chemistry and Ms. Saretha, Assistant Professor in Commerce of Nehru Memorial College went to Government Girls Higher Secondary School, Thammampatti-636 113, Salem District to carry out many programs such as Essay writing (Tamil and English), objective type questions in Science (Botany, Physics, Computer science, Zoology, Maths and separate question for commerce students, Oratorical competition (English and Tamil) for 11th and 12th students (science and arts) groups were conducted. This kind of programme would help the students to make high mark in their competitive exams and to meet out general knowledge, speaking skill, writing skill etc.

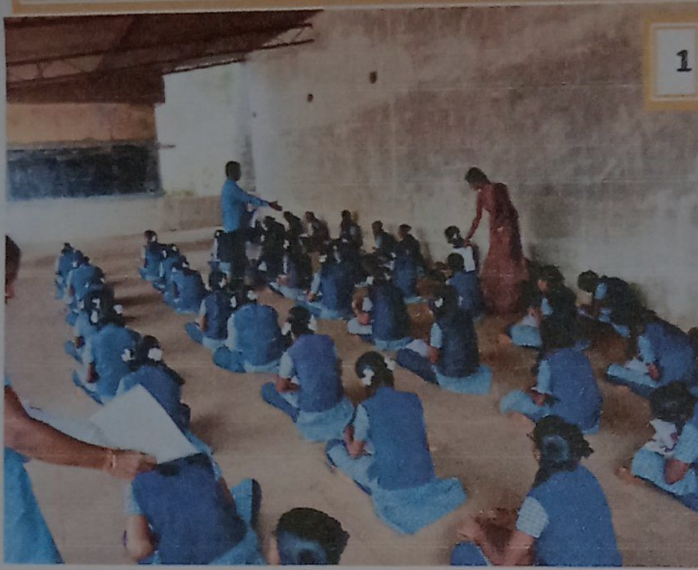

We all went to the school at 10.00 am and met the Headmistress. We emphasized about our college and told about the programme quite for half an hour and finally we got the permission to conduct various aforesaid programs. We started the programme at 11.00 am and finished the programme at 1.30 pm (forenoon session). After lunch break again we started the programme at 2.00 pm and finished the events at 3.30 pm (afternoon session). Then the papers were corrected and the winners of each programme were sorted out with the help of school teachers. Sharply, at 4.00 pm we conducted the validatory function. First and the foremost the school Headmistress delivered inaugural address and retreated the program. Then she issued the prizes to the participants. Dr. N. Ramesh delivered vote of Thanks. All events and prize distribution were photographed. Ultimately the programme was concluded at 5.00 pm. It was nice, wonderful and worthwhile programme.

Feedback from the Students ~~and staff~~ of Govt. Girls Hr. Sec. School:

The students were very happy about our programme. One of the students named by Ms. S. Deepa Sri (XII D) gave the feed back in the function. She added that the programme was useful one and she got inspired very much. The school headmistress asked us to do some cement work at the school entrance as quickly as possible.

N. Ramesh
