**School Report for Swami Vivekanandha Vidhyalaya Higher Secondary School**

**Vairichettipalayam**

I am Mrs. K. Saraswathi from Computer Science department. My team included three members. They are Miss. S. Banu from Maths department and Miss. J. Devitha from Tamil department including myself. We moved from Koppampatti at 8.45 am. The school is located in vairichettipalayam. We reached the school at 9.00 am. We got the permission at 9.30 am on 02/08/2019. We started the competition at 9.45 am and winds up at 4.30 pm. There are 400 students are studying in +1 and +2.There are 265 students participated all the five events. In Tamil and English essay writing 44 students were participated from both +1 and +2. In Speech 26 students were participated from both +1 and +2. In Multiple Choice Questions 195 students were participated from both +1 and +2.The students were participated very eagerly. The staff members of Tamil, English, Physics, Chemistry, Botany, Zoology, Mathematics and Commerce department are very supported for completing the events. The Head master was encouraged and supported us to conduct these types of events. The prizes were issued to the prize winners by the Head Master and all other staff members of the School. Finally the Head Master told about all the events are very useful to all the students. The Head Master and Teachers are excited about their students' abilities. The students are very happy about this competition and Prizes. Finally the vote of thanks is given by Mrs. K. Saraswathi from Computer Science department. The Headmaster gave the permission to conduct workshop and seminar to the staff members and students in School or our College. We were moved from the school after 5.00 pm. We were very happy to conduct these types of events. We learned a lot of good experience from conducting these types of events. There are 190 certificates for quiz and 30 certificates for Essay and Speech required for participants.
