(An alumna of 1980-81, department of mathematics).

Dear staff and students of NMC,

I, with pleasure, place my humble and hearty congratulations to all of you for the best career and performance.

I am very proud and happy of being an alumna of NMC.

The 'alumna get-together function' arranged by the management, staff and current students of NMC on 30.12.17 as part of Golden Jubilee celebration was very remarkable and ever memorable occasion.

I do ever remember and respect the affable and affectionate nature of the then Principal cum correspondent M.Ponnambalam and professor cum warden C.Ramalingam and all others.

The credit of having had my career in the dignified Indian Air Force goes and remains with NMC.

Now, it is at my pleasure to present 'awareness and motivational speech' to the students of NMC on 08.01.2018 to promote their awareness towards competitive examinations conducted by public service commissions like UPSC, SSC, TNPSC etc., for various appointments under central and state government services.

I Wish you all the best with thanks to all of you for providing this opportunity to me.
