TEA (P) Ltd. will achieve the leadership in the field of corporate training through giving world class training products. And in everything we do, we strive for sincerity, fairness, and integrity.

TEA (P) Ltd. will be always dedicated in providing services which everlastingly meet or exceed the expectations and requirements of our esteemed customers. "We nurture good skills to the customers in both IT & non-IT".

COMPANY OVERVIEW

A Master never teaches anything.
His presence itself brings in dramatic changes in your whole being.

Theme English Academy Private Limited is a Private incorporated organisation (CIN: U80900TN2011PTC082577). It is classified as corporate Company and is registered at Registrar of Companies, Chennai.

Theme English Academy (P) Ltd. Since 2011 has emerged as one of the best corporate training companies in India.

With our intense passion to change lives and with our vast experience too, we've carved a niche for ourselves to be recognized among the best corporate soft skills training companies in India.

We provide our customers with exclusively made solutions in Soft Skills, Domain Skills, Language Proficiency, Performance Capability Assessments and Train and Hire Services.

360 degrees training programs is what we call them. Our training programs are structured to impact individuals that enables them build the right supporting competencies to excel in every sphere of life.

We offer practical and engaging training programs to help your company-build dynamic teams; develop exceptional leaders; increase sales and profits; build and maintain excellent customer relationship; improve organizational efficiency and productivity, motivate and retain key staff and foster a stress-free and harmonious workplace.

Enhance your skills

Corporate Training Solution

TEA provides software training and software boot camp training through customized training courses and workshops to elite IT companies in India. Our training programs are designed to enable an organization to mobilize and manage teams and individuals into business forces that are competent, motivated and driven by the desire to succeed.

Project Consulting Service

TEA Consulting extends their consulting services in the areas project planning implementation and roll-out; process definition, design & implementation. We cut out the small talk and keep things real, allowing us to quickly provide the talent you need. We provide support for IT/IS operations and business systems projects.

Technical Assessment

TEA model of "Technical Assessment" follows a template often used to evaluate a candidate's competence that typically specific to the candidate plays in the organization.

MEASURE WHAT MATTERS

Weight technologies according to their relative importance and set difficulty levels to easily create a skills test matched exactly to the requirements of your role.

STRENGTHEN YOUR TECH TEAM

Quickly test all of your candidates and receive results, objective data that highlights the best application to fast-track to interview.

REDUCE THE RISK OF A BAD HIRE

Bad hires, especially in tech, have a profoundly negative effect on productivity, profitability and morale. Hire right first time by thoroughly validating technical fit up front.

Technology Consulting

TEA provides technology consulting which is backed a strong team of professionals who engage more than 200 subject matter experts matter experts with job level competencies.

We provide English language assessment. The Cambridge English exams, which are available throughout the year, are taken by more than 3 million people each year around the world. Check out www.cambridgeenglish.org for more information.

COMPANY OVERVIEW

The English Academy offers a very high standard of education in all the most convenient locations in India. We provide year-round English courses at all levels. We are specialists in Cambridge and IELTS exam preparation courses.

We are very proud of our success, the friendly atmosphere that we encourage and the achievements that our TEAM regularly obtains. The success of our philosophy is borne out by the high percentage of schools that renew course with us and large numbers of referrals too.

It is important that you are confident when you choose which organisation you have to sign MoU to implement English Language study at your school and we hope that The English Academy will prove to be the right choice for you.

The English Academy is an Authorised University of Cambridge preparation. We were also the first active Cambridge preparation centre in India.

Our teachers are trained Cambridge English Examiners. This means you can rest assured that you will receive the highest quality teaching available today and be taught to internationally recognized standards.

OUR CEO

P Hariharan, MBA
TKT (Cambridge University),
Business English (British Council)

Hariharan has been teaching students, teachers and professionals of over past 9+ years, through his workshop he trained up to 25,000+ English language students and Professionals globally. Enormous students trained by him have set their life goal as teaching English and working now as English Language Trainers around the nation. His team of trainers is working vigorously to create awareness on IMPORTANCE OF ENGLISH LANGUAGE to the student community. He also plays a vital role in content development and implementation of TEA COM ENG. He has also taken up the project of Cambridge English Assessment.

He is an *exempli gratia* of the quote
Please never underestimate the ability of a human by his age.
