F.No. 10-1/AICTE(P&AP)/MoU-AICTE&Hiremee/2017

21st September, 2017

To

All Principals/Directors
AICTE approved Institutions

Subject – Memorandum of Understanding (MoU) between AICTE and HireMee.

Sir/Madam,

All India Council for Technical Education (AICTE) in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures to be implemented by all technical institutions approved by AICTE to improve the standards of technical education and to provide competent technical manpower for the nation.

All India Council for Technical Education has signed MoU with HireMee on 12th September, 2017 for helping in bridging the gap in employability skills by imparting suitable training especially, in rural areas; help the academia understand the gap in skills and support them with industry specific inputs; and provide an opportunity to the all students by connecting them to the right jobs. This is a CSR effort to discover a diamonds of students in rural and urban colleges. HireMee serves as a Virtual Bridge between Recruiters and Aspiring Applicants esp. of Tier-2 and Tier-3 areas. HireMee is an end-to-end Web Portal and Mobile App developed with intent to reach out to all students, recruiters and colleges across the country in these areas who will benefit from using the HireMee. Students, Colleges, Corporates and Recruiters can register through HireMee Portal, and assessments are directly carried out by HireMee. The entire recruitment process will be seamlessly linked on a chain.

The MoU signed between AICTE and HireMee can be viewed on the AICTE website www.aicte-india.org.

The AICTE approved technical institutions are requested to adequately publicise this information on their websites so that students can be benefitted. The platform for HireMee [www.hiremee.com].

We hope your institution will take maximum advantage of this partnership for the benefit of students.

Regards,

Yours faithfully,

(Prof. A.P. Mittal)

Dear Jayaraman,

Greetings from HireMee Bangalore-CSR initiative!!

With reference to the discussion we had regarding the HireMee online assessment and placement for your final years students, Please find the below mail for your further process.

Given below is a brief about HireMee – an free online assessment and placement assistance platform for Tier 2 and Tier 3 students

HireMee aims to bridge the Recruiter <-> Graduating Student gap by using technology based assessment to achieve a perfect fit between an aspirant and the job. Eligible candidates would be supported with placements as well.

As part of the CSR effort, HireMee, a web portal and mobile application, connects the corporate world with academic institutions for faster and easier placements for graduating students pan India. HireMee app seamlessly links students, recruiters and colleges through proctored computer based assessments to facilitate the recruitment process. Final year students from degree or diploma in engineering, humanities, sciences, commerce, business management and ITI are eligible to take up the assessment. The goal is to help recruiting firms discover diamonds among students in rural and urban colleges without any cost to the students, recruiters or the colleges. **By offering free assessment to a 2 million students and pro bono recruiting services to 10000 companies this year HireMee aspires to enable students get 2,00,000 jobs this year.**

What makes HireMee unique is that there is a special focus on reaching candidates in the interiors of the country. The industry is missing many of the non-urban 'diamonds' as the reach to far-flung areas of the country is just not easy due to limited budget and time for the corporate.

The assessment is a 100-minute proctored computer-based-test for graduating students at their college premises using HireMee proprietary assessment application that randomly draws questions from its quarter million strong question bank to test
