Report ON Golden Jubilee celebrations

24 June 2018

The golden jubilee celebrations of Nehru Memorial College, Puthanampatti concluded in a grand manner. 310 Kwh Rooftop Solar Park, offices of the Deans, newly laid roads, elevator facilities, research block, portraits of the college founder and a range of other facilities were inaugurated to mark the completion of fifty years of the institution. A video presentation of the fifty year growth of the college was also screened. Prof.M.Ponnambalam, Chairman of the college presided over the golden jubilee valediction. President Er.Pon.Balasubramanian, Secretary Pon.Ravichandran, members of the management, faculty members, staff, alumni, students, parents and general public participated in the event. Principal Dr.A.R.Ponperiasamy welcomed the gathering.

Its alumnus and the founder pro Chancellor of MAHSA University, Malaysia Tan Sri Datuk Dr.Haji Mohamed Hanniffa bin Haji Abdullah was the chief guest. Sharing his golden moments during his student days at NMC, Abdullah said "Those were the days where the facilities were bare minimal but the care and affection of the teachers were at the maximum. I owe my growth and success to the training given at NMC during my initial days. Every successful person has a mentor. Barack Obama said that his mentor was Nelson Mandela. Nelson Mandela claimed that his mentor was Mahatma Gandhi. Mahatma Gandhi declared that his mentor was Leo Tolstoy. Leo Tolstoy acknowledged that Thirukural was his mentor. Every person in the world is shaped by someone. I am happy that NMC continues to be a mentor for thousands of students like me."

Dignitaries from various countries including Malaysia, Sri Lanka joined the jubilation. People who contributed for the welfare of the college during the last fifty years were honoured. Overall 1450 students participated in the function. Dr.T.Jayaprakasam, former principal and the coordinator of the golden jubilee committee proposed vote of thanks. A colour full cultural extravaganza was presented by the students.
