PG & RESEARCH DEPARTMENT OF CHEMISTRY

Department Association Function Special Lecture

(16.03.2017)

REPORT

PG & Research Department of chemistry conducted “**Special Lecture on “Carbon Nano tubes”**” on 16-03-2017. Dr. T.Jayaprakasam, Principal, Nehru Memorial College, presided over the function. The Head of the Department of chemistry Dr. A. Sekar welcomed the gathering and explained the main objective of the special lecture.

Dr. S. Manivannan Assistant Professor, National Institute of Technology, Trichy was delivered a special lecture on “**Carbon Nano Tubes**”. His lecture is greatly useful to the PG and third year students.

During the interaction session, students asked various doubts related the topic. The chief guest explained them very clearly. The students are impressed and received exposure in this topic. He interact with students about the postgraduate admission in National Institute of Technology and other NIT courses. **Around 150 students are participated both from UG and PG.**

The lecture was concluded by vote of thanks given by Dr. D. Viji Saral Elezabeth, Associate Professor, Department of chemistry, Nehru Memorial College, Puthanampatti.
