## ABOUT THE COLLEGE

Nehru Memorial College, Puthanampatti was established in the year 1967. It was founded by Late **Shri. Mookka Pillai**, a great philanthropist whose selfless spirit prompted him to take up the mission and vision of spreading higher education as early as in 1942.

The great philanthropist and visionary Late **Shri. Mookka Pillai** had conceived a noble idea of providing education to the children of peasants, the downtrodden and the poor section of the rural society and implemented it in the year 1942 by establishing a middle school in the rural village Puthanampatti. He had put his heart and soul in addition to his hard earned money to impart education to the rural mass of the village. The school was upgraded as High school in the year 1948.

The undaunted spirit of the unlettered genius did not satisfy himself with school education alone. He envisaged yet another noble cause of imparting higher education to the people in and around Puthanampatti and his dream was realized in 1967 in the form of **Nehru Memorial College**.

Nehru Memorial College, Puthanampatti is an Autonomous college, affiliated to Bharathidasan University, Trichy, Tamil Nadu. The college is recognized by the University Grants Commission (India)
