Dr.S.Rajendran, Head Research Department of Tamil presented 11th agenda of reconstitution of question Paper Scrutiny Committee and nomination/appointment of chairperson for central valuation. Dr.S.Rajendran justified the need for nominating the Head of department of the respective department as chairperson for Question Paper Scrutiny Committee instead of appointing external persons. Further he added that the internal person could be nominated as the Chairperson for the central valuation as there were many errors reported in the question paper scrutinized by the external members. Dr.K.T.Tamilmani informed the members that only internal members know better the intricacies and complexity involved in setting the question

paper and they could either remove the irrelevant/misleading points/out of syllabus questions or modify the categorization of question if found erroneous. Dr.E.Ramganesha said that the internal people are the best judges. Dr.P.Neelanarayan, informed that the present system should continue as there are some problems occurred in the previous system. Prof M.Muralidharan said that the same practice was there in our college for about eight years (from 2004 to 2012) and if any person found guilty of doing some untoward practice, then appropriate action could be initiated against such individual and it was not fair to give up a system which proved to be successful. Mr.A.Ganesan also said the secrecy has to be maintained and any violators should be prosecuted. Dr.J.A.ArulChellakumar said that the examination reforms committee should frame the regulations for appropriate punishments for such errant persons. Dr. M.Mary Anbumathy informed about some of the errors found in the question paper during April 2018 examinations and her reluctance to express it in writing to the appropriate authority as she was skeptical about the remedy for such violations. Dr.A.Rajendran held the view that the internal people carried out this type of confidential work in the past as the then Controller, in consultation with the Principal, nominated reliable persons from internal and the system was going on well. After a detailed discussion the majority of the members felt that the spirit of autonomy has to be taken in to consideration and the following resolution was passed unanimously.

Resolution No.AC 12/2018

It is resolved unanimously to reconstitute the Question Paper scrutiny committee with the internal staff members and the Chairperson of the central

valuation should be the Head of the Department concerned/a person nominated by the Principal and examination reforms committee shall frame necessary guidelines for prosecuting the errant people.
