BROUCHER

Handicrafts is very important because it represents our culture and tradition. It promotes the heritage of a country through the use of indigenous materials and it preserves knowledge and tradition. The handicrafts sector plays a significant and important role in the country's economy. It provides employment to a vast segment of craft person in rural and semi urban areas and generates substantial income to the economy. It also provides self employment for youth which is need of the hour. Keeping these two concepts this value added course is planned by the department.

Objective of the course

- To introduce and develop handicraft among students
- To motivate students in self employment

Learning Objective

- To acquire in depth knowledge in blouse designing silk thread making and chocolate making
- To undergo hands on training.
- To understand marketing techniques.
