## INDUSTRIAL VISIT

(08-02-2020 and 09-02-2020)

All First, second and third year B.Sc. chemistry students comprising 60 students visited Kannan Devan Tea industry in Munnar. The industry officials brief our students from tea leaves plucking up to and tea processing, it was a new experience for our students after completing our industrial visit on the first day. The second day the students were taken around important sightseeing places around Munnar. The students gained tea processing knowledge and skill. Two male staffs ( Dr. R. Surendar Assistant professor and Dr. A. Idhayadulla Assistant professor and two female staffs (Dr. D. Viji saral Elezabeth Associate professor and Dr. M. Uma devi Assistant Professor) were accompanied the students.
