

NEHRU MEMORIAL COLLEGE(AUTONOMOUS)

PUTHANAMPATTI-621 007

Department of Economics

Feedback analyze for UG & PG programmes

Student's Feedback

Students want to reduce the portions of few courses. They are in need of improving the communication skill further they request us to conduct such more courses apart from the formal language courses. Students want to introduce skill based courses. They want to provide more computer time in the final year practical so that they can go for computer based jobs. They also insist about the job oriented courses as well as entrepreneurial skill based courses. Most of them are coming from rural side they insist about rural development based courses.

Parent's Feedback

The parents of Economic department are satisfied with our current syllabus. They expect their wards to speak in English and other communication skill on par with the students of city college students without fear. Additionally they want the course to become job oriented which will help to get jobs.

Alumni feedback

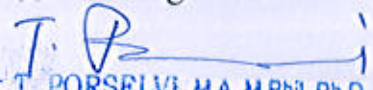

The Economics department alumni expect us to modify the future syllabi with suitable changes for improving the communication skill they face problems while participating the group discussion and personal interviews. Also they want the classes more interactive style so that they can break the shells and express their views boldly.

Staff feedback

The Economics faculty members suggested modifying the contents of certain courses so that they imparts in depth knowledge in a particular course. They suggested general knowledge based seminars as confidence building measures among the students.
