ACTION TAKEN ON M.Sc., ZOOLOGY
SYLLABUS REVISION

Action taken

The above feedback getting from stakeholders will be considered and properly implemented.

The project hours will be increased that is 18 hours per week to do their research activity in the fourth semester and considered.

Students are allowed to browse references related to their research activity daily.

The syllabus contents in certain courses will be reduced and considered.

Syllabi of UGC/CSIR and SET/NET/TRB contents would be added.

Parents meet will be conducted each and every semester and the progress of students and marks and attendance information will be shared then and there to the parents.

Department is actively engaged in extension activities by giving practical training to the students in medical coding, vermiculture and herbal nursery.

The students are given training in advanced instrumentation facilities available in the laboratory.

Periodically conducted special lectures.

Training has been given to the students and insisted them to set up vermicompost unit at their backyard. This kind of encouragement has been implemented in local villages.
