

DEPARTMENT OF ZOOLOGY
ANALYSIS OF FEEDBACK ON CURRICULUM FOR
UG - PROGRAMME

Student's Feedback

Students want to reduce the syllabus content for certain courses. They expect communication training courses to improve the communication skills. Undergraduate students are asking to include project work in the curriculum. PG students are asking to include syllabus related UGC-CSIR syllabus. They are expecting to include recent advancement in their courses.

Parent's Feedback

The parents expect the children should be knowledgeable and skillful to get employment. Expecting their wards to participate in seminars/workshop/inter-collegiate or intra-collegiate competitions and also asking for more campus recruitments.

Alumni Feedback

Alumni feedback is used for assessment of PEOs since they have intimate knowledge of the program and, at the same time, also have experience in industry. The alumni of the department expecting following to be implemented in the subsequent academic years.

- Alumni suggest their juniors to take some kind of certification courses to enrich their knowledge.
- The 2015 regulation under CBCS is excellent and it will be more useful for student's career growth.

Feedback of Subject expert

Experts were suggested to introduce the practical examinations for the practical courses in the same semester in which they are experimenting instead of year- end practical examinations pattern especially for UG. Also recommended to reduce the syllabus content for certain courses and suggested to add more content for certain courses. They also suggested to introduce practical component for some courses and recommended to add industrial need courses. Also, recommended to introduce internships and skill development courses.
