UG AND PG PROGRAMMES

Action Taken Report

We have made appropriate changes in our existing syllabi for our undergraduate (UG) B.Sc. Chemistry and for postgraduate (PG) M.Sc. Chemistry programs. The changes were made based on the suggestions obtained through feedback mechanism from the students, parents, student employees and the industrial experts. Certificate course in water Analysis and treatment is offered for all the departments. Included more applied practical are introduced in the UG syllabus. Our PG syllabus are framed to compete the UGC-CSIR and SLT and all competitive examination. Curriculum is revised thoroughly as per the advice of expert committee.
