### Seminar Report

17.02.2023

PG & Research Department of Chemistry, Nehru Memorial College (Autonomous) organized a one day Seminar on the topic “*Application of Chemistry in Industries*” on **17.02.2023** at Seminar Hall. The function started at 10.30AM with Tamil Thaa Vaazhththu. The Seminar Organizer **Dr. A. Kasthuri**, Head (SF) & Associate Dean of Training and Placement welcomed the gathering. The Principal **Dr. A.R. Ponperiasamy** during his presidential address insisted our students to learn and fetch more fame to the college. Our College President **Er. Pon. Balasubramanian** felicitated the gathering and events. He motivated the students to become Entrepreneurs, and wished to get placed in industries. The coordinator **Dr. M. Meenakshi Sundaram** during his felicitation provoked the students to find solution for many challenges in future in an Eco-friendly way. **Our Alumnus (First Batch B.Sc. Chemistry – 1997-1980) Mr. P. Sampathkumar, Independent Consultant, Salem** was the Chief Guest of this seminar. He shared his knowledge and skill with our students, and gave many novel ideas for their betterment. The problems he faced in cement industries, and the importance of basics of chemistry were lime lighted by the guest. The immense job opportunities available in the industries and the way to seek were taught to students. He appreciated the students’ participation during the interaction and he encouraged the students by offering gifts in the query session. Feedback was given by Ms. M. Adhisankari (2K20CH01), Ms. S. Susithra (2K20CH18), Ms. B. Bhuvaneswari (U21CH3113) and Ms. S. Aparna (P22CHE101). Mrs. R. Shanmugapriya, Assistant Professor in Chemistry proposed vote of thanks. With the support of all the faculties of Chemistry Department and the supporting staff the seminar was successfully conducted. Ms. M. Adhisankari (2K20CH01) and Ms. S. Susithra (2K20CH18) of III B. Sc

Chemistry compered the function. The Programme was ended with National Anthem. 110  
Students from both Aided and SF streams were benefited by this seminar. Our President,  
Principal, Chief Guest and Coordinator appreciated our Chemistry Club Spokes (SF) for their
