SYMPOSIUM "SYMPY FEST 2K23" REPORT

DATE: 05.10.2023 TIME: 10.00 a.m VENUE: ICT HALL-1

The Computer Science Department at Nehru Memorial College hosted a dynamic and engaging symposium on October 5, 2023. The event was graced by esteemed dignitaries and witnessed enthusiastic participation from various departments.

Ms. C. Kanagalakshmi, a student from the II BSc Computer Science, delivered a warm and cordial welcome address. The symposium commenced with a distinguished Presidential Address delivered by President Thiru. Pon. Balasubramanian and Secretary Thiru. Pon. Ravichandran. Their insightful words set the tone for the day's proceedings, emphasizing the significance of technological innovation and collaboration.

Dr. A. Venkatesan, Principal, and Vice Principal K.T. Tamilmani felicitated the occasion with their gracious presence. Their support and encouragement bolstered the spirit of the event, reinforcing the department's commitment to excellence.

Dr. K. Mani, Associate Professor and Head, Department of Computer Science, expressed the theme of the symposium and highlighted the efforts made by the department. A highlight of the symposium was the active involvement of professors from various departments and students who visited the event. They meticulously evaluated the applications developed by 17 student teams (9 from II Year and 8 from III Year) from the Computer Science Department. This interactive session not only showcased the talent of our students but also encouraged cross-disciplinary learning and appreciation. Each team leader had the opportunity to elucidate the applications developed by their respective teams. These presentations provided valuable insights into the creativity, innovation, and technical proficiency of our students.

The symposium concluded with a heartfelt Vote of Thanks by T. Sabari, a student from the III BSc Computer Science. The Symposium, organized by Dr. K. Mani, Associate Professor and Head, Dr. V. Umadevi, and Dr. S. Mala, Assistant Professors in the Computer Science Department, was an enriching experience, highlighting the department's commitment to fostering innovation, collaboration, and knowledge sharing.

Dr. V. Pray

Nice Explanation,

S. SAMINATHAN - Good explanation - RSA Algorithm - 

P22CS105 - Very good application of Communication for

P22CS101 - both of us. its separately used for secret and secure application. And then couples and committedly for more using and nice commitments for students. like this application

Good concept of Encrypt & Decrypt 

U22CS002 \Rightarrow very useful project for private communication^{an}

Very nice explanation.

This game is very entertainment by me.

① good attempt.

This game is very interested and created.

This game is useful to improving our skill.

Nice. 

→ This game was really interesting to check our general knowledge and their creativity is amazing! but one suggestion for this app they ^{must} show whether the answer is correct or not. They are awesome 😊

→ Excellent

→ Good

⇒ Nice work

⇒ Nice

Very good 

Very very good, nice

Super
