Report on Student Induction Programme 23.08.23 to 25.08.23

Day 1: August 23, 2023

The Student Induction Programme(SIP -2023) has been organized in Seminar Hall. The program started at 10.00 am. Around 100 students of B.Sc and M.Sc students attended the program. The program was organized by Mrs. N.Kalpana, Assistant Professor and Head, Department of Data Science. The first day of the seminar series commenced with a session on the topic "**Stress and Well-Being.**" The distinguished resource person, Dr. S.R. Nirmal, Head of the Department of Psychiatry, Dhanalakshmi Srinivasan Medical College and Hospital, Siruvachur shared profound insights into the intricacies of stress management and its impact on overall well-being. Dr. Nirmal highlighted the significance of recognizing stressors and adopting healthy coping mechanisms. Attendees gained a deeper understanding of stress-related issues and learned practical strategies to maintain mental wellness.

President Er.Pon Balasubramaniyan and Secretary Pon Ravichandran honouring the chief guest Dr.S.R.Nirmal, Psychiatrist and HoD, Dhanalakshmi Srinivasan Medical College and Hospital

Afternoon Session: The afternoon was dedicated to welcoming the newly joined students pursuing B.Sc and M.Sc in Data Science. The Freshers' Day event was filled with excitement and camaraderie as the

students were introduced to the faculty and their peers. Various interactive activities and ice-breaking sessions facilitated a smooth transition for the newcomers into the academic community.

Day 2: August 24, 2023

Forenoon Session (10:00 am): Yoga - from Art of Living The second day's forenoon session started with a rejuvenating yoga session conducted by Mr. R. Thiyagarajan and Mr. Chandrasekar, experienced Yoga Trainers from the Art of Living foundation. Attendees were guided through various yoga postures and breathing exercises that promote physical and mental well-being.

Principal, Dr.A Venkatesan, Honouring Mr.R.Thiyagarajan, Yoga Trainer from the Art of Living.
Students practicing yoga

Forenoon Session (11:45 am): Heartfulness Meditation - Sri Ramchandra Mission Following the yoga session, attendees were led into a serene meditation experience by Mr. A. Anbalagan, Mrs. B. Valarmathi, and Mrs. Mythra, experienced trainers from the Sri Ramchandra Mission. The Heartfulness Meditation session provided a space for introspection and relaxation, allowing participants to delve into the realms of inner peace and mindfulness.

Principal Dr.A.Venkatesan, Honouring the resource persons from Heartfulness Program SRCM.
Mrs.B.Valarmathi, SRCM Trainer gave introduction about meditation

Afternoon Session (2:00 pm): Empower Your Voice In the afternoon, Mr. Prakash from the Department of English at Nehru Memorial College conducted a session titled "Empower Your Voice." Attendees explored the nuances of effective communication and public speaking. Practical tips and techniques were shared to help participants enhance their verbal communication skills.

Principal, Dr.A.Venkatesan, Honouring Mr.T.Prakash, Department of English, Nehru Memorial College. Delivered a speech on "Empower your Voice".

Day 3: August 25, 2023

Forenoon Session (10:00 am): The Art of Data The third and final day's forenoon session began with an enlightening talk on "The Art of Data" by Mr. Shankar Essaki, Associate Director at Contus Tech-Chennai. Attendees gained insights into the evolving field of data science, its applications, and the role it plays in various industries. Students from Data Science, M.Sc Computer Science, Master of Computer Applications and Mathematics also attended the program. The session was very interactive.

Honouring the Chief Guest Mr.Shankar Essaki, Associate Director – Contus Tech, Chennai.

Mr. Shankar Essaki delivered speech on "The Art of Data"

Afternoon Session (2:00 pm): The seminar series concluded with a valedictory function, during which attendees reflected on the insights gained over the three days. Participants had the opportunity to provide feedback on the sessions, which will aid in further improving future events.

The valedictory function of the three-day seminar series was held on August 25, 2023, marking the conclusion of an enlightening and diverse series of sessions. The event was graced by esteemed members of the management, faculty, and enthusiastic participants.

President, Er. Pon Balasubramaniyan in his address, encouraged students to seize every opportunity and share their knowledge with business leaders. He emphasized the importance of collaboration between academia and industry for mutual growth. Secretary, Mr. Pon Ravichandran motivated students to embrace the opportunities presented to them. He urged them to take bold steps and make the most of the knowledge gained during the seminar series.

President Er. Pon Balasubramaniyan and Secretary Pon Ravichandran delivered felicitation address in Valedictory

Vice Principal, Dr. Tamilmani shared an insightful perspective, encouraging students to perceive everything as data. He highlighted the potential of analyzing diverse sources, such as mobile messages, to extract meaningful insights. Principal, Dr. Venkatesan underscored the transformative power of AI and machine learning. He illustrated their impact by posing a thought-provoking question: What was the first message from Chandrayaan 3? This exemplified how data and technology can lead to fascinating discoveries.

Principal Dr.A.Venkatesan and Vice Principal Dr.K.T.Tamilmani, speech in Valedictory function

Mr.Dinesh from II M.Sc Data Science, Ms. Gokula Priya from III B.Sc Data Science, Ms. Priyanka from III B.Sc Data Science, Ms. Keerthana from I B.Sc Data Science gave their feedback about the session.

Ms. Gokulapriya and Ms.S.Priyanka of III B.Sc Data Science gave feedback

Mr.G.Dinesh of II M.Sc Data Science gave feedback. Ms.Keerthana of I B.Sc Data Thanked Seniors for giving Fresher's Day

Ms. Rexcita Mary gave a report of 3 days Student Induction Program (SIP-2023). Ms. Nandhini, a student of II M.Sc Data Science, delivered a heartfelt vote of thanks. She expressed gratitude to the management, faculty, and resource persons for their efforts in organizing the seminar series. She also extended appreciation to the students for their active participation and eagerness to learn.

Ms.Rexcita Mary, Assistant Professor, Department of Data Science, presented a report on SIP - 2023. Ms.Nandhin of II M.Sc Data Science gave Vote of Thanks.

The smooth execution of the function was made possible by the diligent efforts of Ms. Rexcita Mary and Mr. C. Yogaraj, who assisted in arranging the event. Their support ensured that all logistical aspects were well-managed.

The seminar series ended on a high note, leaving a lasting impact on the attendees. The words of wisdom shared by the speakers and the camaraderie among the participants served as a fitting conclusion to three days of learning, growth, and community-building.

The 3-day seminar series successfully brought together diverse topics ranging from stress management, yoga, meditation, communication skills, and data science. The resource persons' expertise, interactive sessions, and practical insights contributed to a holistic learning experience for all participants. The event not only broadened knowledge but also fostered a sense of community among the attendees.

The valedictory function concluded on a patriotic note, with all attendees standing for the National Anthem. The unity and enthusiasm of the participants were palpable as they joined together to express their respect for the nation.
