PG & RESEARCH DEPARTMENT OF MATHEMATICS
NATIONAL MATHEMATICS DAY - 2023
136th BIRTHDAY CELEBRATION
OF

MATHEMATICAL GENIUS - SRINIVASA RAMANUJAN
RAMFEST – 2023
REPORT

Lofty Math Association of the Department of Mathematics celebrated the National Mathematics day, **136th Birthday of MATHEMATICAL GENIUS - SRINIVASA RAMANUJAN** on Friday, the 22nd of December, 2023. The main objective of the programme is to pay tributes to the mathematical genius by disseminating his mathematical findings and knowledge to the student community. About eighty students participated in the programme.

Dr.V.Mohanaselvi, Assistant professor, Department of Mathematics welcomed the gathering.

Dr.V.Saavithri, Head, Department of Mathematics, highlighted the objective of the programme **RAMFEST-2023**. She shared with audience the tremendous efforts done by the students in establishing the Ramanujan Mathematics Museum. Also she thanked the management for providing infrastructural support and the constant encouragement.

Er.Pon Balasubramanian, President, College Committee presided over the function. He congratulated the department for conducting the programme continuously since 2009. He emphasized the importance of

concept oriented continuous learning. He impressed upon the students to set a goal in their life and to earnestly start working to achieve it. He appreciated the students for the initiative taken by them to set up Ramanujan Mathematical Museum.

Dr.P.Neelanarayanan, Principal(i/c) and Dean of Research, felicitated the gathering. He stressed the importance of perseverance with regard to setting and reaching their goal. He asked the students to imbibe the spirit of Ramanujan's research work so that they can also do outstanding research in Mathematics. Students were advised by him to read the Employment News regularly.

As a part of RAMFEST, a career guidance programme was organized in which the Chief Guest, **Er.P.Balashankar**, Founder and Director, Jothi IAS Academy, Trichy, gave an insight into various job opportunities in government sectors. He also motivated the students to prepare for the competitive examinations with consistency and diligence. Many of the students got their doubts clarified during the lively interactive session.

One of the students narrated the life history of the Mathematical Genius Ramanujan. Senior students conducted various Mathematical games for juniors.

The meeting concluded with the vote of thanks proposed by **Dr.P.Kavitha**, Assistant Professor, Department of Mathematics.
