PG and Research Department of Zoology
Nehru Memorial College (Autonomous)
Puthanampatti – 621 007, Tiruchirappalli Dt.,

ABOUT THE INSTITUTION

Nehru Memorial College, Puthanampatti was established in the year 1967. It was founded by Late Shri. Mookka Pillai, a great philanthropist whose selfless spirit prompted him to take up the mission and vision of spreading higher education as early as in 1942. He had conceived a noble idea of providing education to the children of peasants, the down-trodden and the poor section of the rural society and implemented it in the year 1942 by establishing a middle school in the rural village, Puthanampatti. He had put his heart and soul in addition to his hard earned money to impart education to the rural mass of the village. He envisaged yet another noble cause of imparting higher education to the people in and around Puthanampatti and his dream was realized in 1967 in the form of Nehru Memorial College. The college is affiliated to Bharathidasan University, Tiruchirappalli. The college has been granted Autonomous status on 8th November 2004 and accredited with 'A+' Grade Status by NAAC w.e.f 1st February 2022. The College offers 12 Undergraduate, 9 Postgraduate, 2 PG Diploma, 5 Advanced Diploma, 3 Certificate courses, 7 M.Phil programmes and 7 Ph.D., research programmes. The College has more than 4000 students with eminent faculty and state-of-the-art educational facilities. The college is not only updating the students with current educational trends but also shapes the students to become the global citizens.

ABOUT THE DEPARTMENT

The Bharathidasan University granted affiliation to this college to start B.Sc Zoology Major in the academic year 1982-1983. In 2003-2004 the Department had the privilege of starting the M.Sc., Zoology course. Thereafter it was recognized as a Re-

search Department with starting of M.Phil (Full Time/Part Time) and Ph.D (Full Time/Part Time) programmes in 2005-2006. Two Diploma courses viz., Advanced Diploma in Biofertilizers & Vermiculture and Advanced Diploma in Herbal Plant Nursery was started in 2004-2005. At present certificate course on Herbal Home Remedies and First Aid, Vermiculture has been started (2021—2022).

About ZOOFEST 2022

It gives us immense pleasure in inviting you for our Department Festival “**ZOOFEST 2022**”. In connection with this we are conducting inter collegiate competitions in the field of “Life Science” for the students of both UG and PG. This programme will definitely boost the understanding, skill and perseverance of the students in the subjects concerned and also provides greater opportunity for interacting with the students and faculty members of other colleges and institutions. Hence, we request you to kindly participate in the programme and extend your fullest cooperation for the successful conduct of the event.

Prizes of 1st, 2nd and 3rd will be issued for all events and certificates will be issued to the participants. A shield will be provided for the best performing (Overall) college. Lunch will be provided for the participants from other colleges. High Tea will be provided in the morning and evening.
